## JANUARY 2021

Dear Brothers and Sisters in Christ:

As I sit here, the words of John Lennon's song "Happy Christmas" continue to run through my head. "So, this is Christmas. What have you done? Another year over, a new one just begun." The new year is upon us. I can hardly believe that 2020 is finally over, but here we are, 2021!

Each new year is a chance to review. A chance to make changes. A chance to assess and adjust our priorities. Each year people make resolutions to exercise more, to eat better, to manage their finances differently. So as the song states, what have you done? How did you spend this year. Look back on the time you've spent last year. Where was your focus? What took up the bulk of your time? God reminds us in His Word:

"Set your minds on things that are above, not on things that are on earth. For you have died, and your life is hidden with Christ in God." **Col. 3:2, 3**

Where is your mind set? Our world presents us with so many opportunities to focus somewhere else: sports games, video games, facebook, cell phones, television, movies, clothing, homes, books, and on and on the list goes. There are so many different places we can focus. And it's so easy to let ourselves get distracted by these things and leave the things of God by the wayside.

Granted, our world also offers us many new ways to interact with the Word as well. You could read the Bible on your tablet, where cross-references are a tap away and textual notes or even whole books can be pulled up at a moments notice as you continue your studies of the Word. We can use our cell phones and even facebook to have ongoing, meaningful discussions about God's Word with fellow believers and even with those who don't yet believe.

It's easy to focus just on how we used the time of this past year, but how have we

used the other things God has given us, like our bodies? In His Word, God encourages us to recognize our bodies as the gift they are from Him:

"Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body." **1 Cor. 6:19-20**

Here we are reminded our bodies are God's temple and He calls on us to take care of them. And so we end up with resolutions to eat well, to exercise right, to get more sleep or less... and so on. But again, the question this comes back to is where is our focus? Are we focused on the things of God? Or are we focused on earthly things? Does your desire for a healthy body win out over God's desire that you have a healthy soul?

And then there's the entertainment industry. God has given us our minds. He has given us the ability to develop wonderful technologies. He has given some people great talents in sports, acting, singing, and dancing. These things are good. They are enjoyable. But when they begin to take away from the time we spend in the Word, we would do well to call them into question.

So where have you set your mind this last year? Where will you set your mind this new year? I pray that this new year serves as an opportunity for you to reflect on the year past, and how you can continue to love and serve God in the year ahead. And remember the reason God desires us to be in His Word, it is there he tells of His great love for us, His forgiveness in Christ, and His promise of eternal life.

A blessed new year to you all,  
Pastor Nathan Peitsch

## **SUGGESTIONS FOR A SAFE WINTER**

As we head into the winter months, realize that snow and cold awaits us. At times, services may be held in less than ideal conditions. We encourage those with special concerns for dangerous conditions to use suitable caution. Reasonable effort will be made to have sidewalks clear, and ice melt placed where needed. Be cautious of the north parking lot, especially on mornings after a thaw and refreezing. We understand that for some it may be wiser to listen to services at home and not take chances.

If the weather is so severe that services are cancelled, it will be announced on KDSN radio: 107.1 FM and 1530 AM, and posted on church facebook and website. We will also use membercaller in the event of a cancellation. Please make sure we have your current phone number.

(Highlights from the meeting)  
October 18, 2020, following Worship Service**

**Secretary's Minutes:** The secretary's minutes from the previous voters meeting of August 2, 2020 A motion to approve the minutes as presented was made by Mona Pithan and seconded by Loretta Hinrichsen. Motion carried.

**Treasurer's Report:** The General Fund went from \$3,107.11 July 1 to \$-5,929.26 at the end of September. Pastor, the Elders, and the Stewardship Board are working on a letter to raise awareness of the financial situation. The lower attendance with Covid has affected giving, but some checks have come in the mail and some people have given as they attended drive-up Communion, and we now have our link to a giving page. A motion was made by Gary Goslar, and seconded by Tammy Bramley, to approve the Treasurer's Report. Motion carried.

**Pastor's Report:** Pastor reported that Catechism classes resumed in September, with some kids attending in person, some virtually, and some back and forth. One questioning and confirmation was held for Jasmine Schaffer. The Wednesday Bible Study is going on hiatus because of the weather. The Sunday morning Bible class meets upstairs in the sanctuary. There have been a few requests for the DVD's of the services. The users bring them to drive-in Communion and switch for the next month. Ministry to the shut-ins has changed because of Covid. The nursing homes are closed, so Pastor cannot do very much there. He is doing his best to check in on the in-home people, and many of them come to drive-in Communion.

**Elders Report:** Bruce Mohr reported that the attendance for July was 36, with three services. The average in August was 34, with five sessions. The average in September was 43, with four sessions. **Board of Education:** Some changes are being made regarding the books used for the curriculum to save money and making a better fit for all ages. 15-16 attend

in person on average, while 4-8 are online. They are working on a Christmas Eve program plan. The board is recommending two service offerings of the Christmas program: one with masks required and extra social distancing, and the other with protection similar to Sunday mornings. Pastor will lead both services.

**Old Business:** The Nominating Committee has been working hard to get the positions filled on the ballot but is having trouble finding names for the elder positions, and a few other positions have openings yet. A special voters meeting will need to be held to approve the ballot before the January voters meeting.

**New Business:** Bruce Mohr offered at the latest council meeting to be our lay delegate at our circuit forum held before the Iowa District West convention. Karen McCall made the motion, and it was seconded by NiKay to approve Bruce Mohr to be our representative. Motion carried. The 2021 budget was presented on the screen.
