MAY 2022

Dear brothers and sisters in Christ,

As the school year is wrapping up this month we look forward to celebrating graduations. Students are preparing to celebrate all that they have learned in the past years. And to begin the month, we have the joy of celebrating confirmation. Again celebrating all that has been learned over the past few years. With this in mind, I encourage you to consider your own Christian Education.

The Christian life is one of learning and growing. It is why we are encouraged to spend devotional time in God's Word, studying it and learning what He has to say to us. It is why we offer various Bible studies here at church. It is the reason we catechize and teach Sunday school to our children. There is always more for us to learn about God's Word.

It can be very easy for us to fall into the trap of thinking that since we have the basics down we know it all. St Paul however, relates this to the idea of food. He talks about what we learn as God's children in terms of milk and solid food. In 1 Corinthians St Paul writes,

"I fed you with milk, not solid food, for you were not ready for it. And even now you are not yet ready," - 1Cor. 3:2

Here we see that though they may have learned the basics, the Corinthians need to hear them again because they weren't yet ready for more.

The writer of Hebrews uses the same analogy in Hebrews 5 where we read,

"For though by this time you ought to be teachers, you need someone to teach you again the basic principles of the oracles of God. You need milk, not solid food, for everyone who lives on milk is unskilled in the word of righteousness, since he is a child." - Heb 5:12-13

God makes it pretty clear in His Word, just because you know the basics doesn't mean you're done learning. And yet I remember quite clearly having finished my own confirmation instruction I thought I was done learning the

faith. Any further instruction I would receive, I thought, would be to solidify the things I had already learned.

I would argue we are all familiar with the basics, Christmas, Holy Week, Easter. We know the events that took place so that Christ could win salvation for us and give us the promise and hope of eternal life. And yet as we heard above, in both Corinthians and Hebrews, we are encouraged to stay firm in these basics even as we progress to the meatier topics.

And so as we confirm another group. As another round of students prepares for graduation and moving on to new ventures, I encourage you to consider all you have learned as God's child. St Paul encourages us to hold fast to this. In 2 Timothy 3 he writes,

"But as for you, continue in what you have learned and have firmly believed, knowing from whom you learned it " - 2 TIm. 3:14

Continue in what you have learned, we are told. It is so easy once we graduate or even once we are confirmed to consider our education done, but there is always more to learn.

One of my favorite books has a repeated line in it that states, "there's always another secret." With our faith there are no secrets, God's Word is plain and clear. However, there's always more to learn. So let us together be life long learners always studying and growing in our Christian faith and knowledge of God's Word.

May God bless you as you continue to learn and grow as His children,  
Pastor Nathan Peitsch
